## **Bally Men's Scribe Shoes and Bags Sartorial Style**

Bally's Scribe shoes and accessories for men represent the Swiss brand's highest level of craftsmanship excellence. Beautifully crafted and a must for every gentleman's wardrobe, the sartorial style of the Scribe Ayer and Sapeis briefcase in striking crocodile continue that fine heritage of luxe style and professional polish.

The Ayer in hand-finished crocodile features the Scribe's signature Goodyear welt construction with a cork insole that adapts naturally to your foot shape and back padding for extra comfort.

Pair Ayer with the Scribe Sapeis briefcase also in striking crocodile. Discreetly elegant, the Sapeis represents classic design and modern functionality. Lined with soft suede effect fabric, internal smart phone pockets and a dedicated laptop section as well as a removable shoulder strap attached to clever hidden hooks are practical features. The Bally Crest is inlaid in pure brass on the exterior and a brass lock to keep your important documents safe ensures a refined finish.
